

Exchange of experience conference

Exchange of experience 2 days conference, where more than 100 participants from 9 countries will present good practices in Roma education and the second chance trainings for professional development.

Additionally the following will be discussed:

1. The importance of official recognition of anti-Gypsyism
2. Root cause of Roma marginalization
3. Promoting the human rights perspective and equal citizenship for Roma
4. Various forms of discrimination and anti-Gypsyism
5. Importance of sensitising the mainstream population
6. The need for Roma-integration in education and challenge segregation
7. The role of the Media in fighting the stereotypes and prejudices about Roma
8. Roma Youth
9. Enforcement and antidiscrimination legislation, independence of equality bodies from political parties and access to justice
